100% cabernet sauvignon sourced from mature vineyards in mount barker. picked at optimum ripeness, the wine was given 15 months of 100% french oak barriques, 25% new, 75% first, second and third use.

Reverend V by Vinaceous Wines are sourced from our most revered vineyards. Select vineyard ownership and long-term grower relationships lead the owners to develop a narrow range focussing on producing exclusive sub-regional specific varietals. With premium fruit chosen from over 800 hectares of mature labyrinth vineyards across the south west of Western Australia, wines of exceptional style and integrity come to life.

The 2014 Reverend V Cabernet Sauvignon demonstrates how a cooler sub-climate can produce outstanding fruit.

Deep and brooding purple in colour, this Cabernet exhibits all the regional characters of Mount Barker, crunchy cassis perfume and cedar notes follow onto the palate of rich ripe berries. Generous weight and texture support the palate whilst the balance of oak and tannin provided exceptional length from start to finish.

This Cabernet can be cellared for up to ten years - or if patience fails, drink with roasted or grilled red meats with all the trimmings, or mature cheeses.
