VINACEOUS

FINE AND DISTINCTIVE WINES

Since 2007 our unique collaboration has granted us access to some of the best vineyards from The Great Southern and Margaret River regions in Western Australia and enabled us to produce delicious wines.

Our winemaking philosophy is simple and relatively non-intrusive – to produce fine and distinctive wines, that reflect the individual characteristics of the vineyard and variety.

Western Australia's Great Southern produces the best semillon and sauvignon blanc blends in Australia, if not the world. With its pristine growing conditions and isolation our semillon sauvignon blancs is lively, fresh and fruit driven.

The Divine Light Semillon Sauvignon Blanc is a bright crisp and delicately textured wine. Pale straw with a green tint. Fresh fruit flavours of lemon, passionfruit, lychee and pineapple. Classic WA semillon sauvignon blanc with a crisp, fresh, mouth-watering and zippy palate.
