Celebrating Australia's finest wine regions, the Vinaceous Wines story began in 2007 as the new movement of contemporary Australian wine producers emerged. Winemakers Michael Kerrigan and Gavin Berry crafting varietals they love, and showcase Australia's finest wine regions for what they are truly capable of.

NV BURLESQUE PROSECCO

Region: King Valley VIC
Alcohol: 13%

The King Valley in Victoria is the Little Italy of Australia with a long and rich history in making wines from traditional Italian varietals. At the base of the Victorian Alps snowfields conditions are ideal for the production of delicate and elegant sparkling wine.

A pale straw appearance with a fine bead the Burlesque Prosecco displays delicate white pear and citrus blossom. The palate is light, bright and refreshing with good carryover of the pear and citrus characters, clean acidity and a soft and finely textured bead. A delicious celebratory wine for all occasions.
