

Vinaceous Crafted By Hand Pétillant Naturel [pet nat]

We are lucky to have access to some minimal intervention vineyards from regions of Western Australia and The King Valley in Victoria. Each year, we sample and closely follow the season and find the best fruit we can to make our wines.

No Filtration / No Fining

It's possible that too much filtering and fining can strip a wine's flavours and aromas, our 'unfiltered' wines have an appealing texture and mouthfeel.

Vegan Friendly

No animal-based fining agents used.

Sustainable Farming

Our source vineyards take an integrated farm management approach allowing sheep to graze after harvest to control weeds and provide organic matter for the vineyard.

Vinaceous Crafted By Hand Pétillant Naturel [pet nat]

With rising interest in more natural style wines, more people are caring more about what goes into their wines other than just the grape variety or the source.

Minimal intervention / hands-off winemaking / hand made, even hand labelled - a real 'story wine'.

Vinaceous Created By Nature. Crafted By Hand. Pétillant Naturel [pet nat] (natural) is made, as the name implies, by a natural process. And comes from a fusion of Arneis, Pinot Grigio and Gewürztraminer.

Before the wine's first, and only, fermentation process is fully complete, it is bottled.

Made in the ancient method of bottling before the primary ferment is complete results in carbon dioxide being formed from the natural sugars already in the wine, and turning into bubbles.

Arneis 54 %

Pinot Gris 30 %

Gewürztraminer 16 %

Alc = 12.5% PH =2.94 TA =6.37 G/F= 0.5 g/l

Tropical, lush, tart, fresh and bubbly, as pure as a pet nat can get

Enjoy
