

Created By Nature. Crafted By Hand Mount Barker Rose

(new wave wine).

Sustainable Farming ,Vegan Friendly,

With rising interest in more natural style wines, more people are caring more about what goes into their wines other than just the grape variety or the source.

Handcrafted and Small Batch
Our Created By Nature. Crafted By Hand are handcrafted and all small batch wines.

Vegan Friendly
No animal–based fining agents used.

Sustainable Farming
Our source vineyards take an integrated farm management approach allowing sheep to graze after harvest to control weeds and provide organic matter for the vineyard.

Our Vinaceous Crafted By Hand Rosé is made in a more traditional style with minimal intervention to the finished wine.

Fruit was pressed straight from harvest to give a delicate colour and minimise the phenolic pick up that comes from time on skins and seeds.
