

Minimalist winemaking

We are lucky to have access to some minimal intervention vineyards from The Great Southern, Margaret River, and surrounding regions of Western Australia. Each year, we sample and closely follow the season and find the best fruit we can to make our wines.

Winemakers : Gavin Berry, Caitlin Gazey
Managing Partner : John Waldron

“Wines of seriously good quality and equally good value.” - James Halliday 2019 Wine Companion.
“Excellent winery able to produce wines of high to very high quality.” - James Halliday 2021 Wine Companion.

Created By Nature. Crafted By Hand (new wave wine).

Sustainable Farming

Vegan Friendly

No Fining

No Filtration

Minimal Intervention Winemaking

With rising interest in more natural style wines, more people are caring more about what goes into their wines other than just the grape variety or the source.

Handcrafted and Small Batch

Our Created By Nature. Crafted By Hand are handcrafted and all small batch wines.

No Filtration / No Fining

It's possible that too much filtering and fining can strip a wine's flavours and aromas, our 'unfiltered' wines have an appealing texture and mouthfeel.

Vegan Friendly

No animal-based fining agents used.

Sustainable Farming

Our source vineyards take an integrated farm management approach allowing sheep to graze after harvest to control weeds and provide organic matter for the vineyard.

Vinaceous Crafted By Hand Fiano (new wave wine).2022

Our Vinaceous Crafted By Hand Fiano fruit was harvested at flavour ripeness but at a point where natural acidity was retained. Pressed to stainless steel with a portion to barrel, this wine was fermented to dryness then left for a period on lees before a rough racking.

The barrel portion was added back for a 15% blend and the lees from this was incorporated.

The resulting wine is textural but with a fine acid backbone making the wine lively with a kaleidoscope of flavour.

- ✓ Winemakers picking choice to achieve fruit ripeness and natural acidity retention
 - ✓ 15% of juice to barrel
- ✓ Unfined and unfiltered resulting in an appealing texture and mouthfeel, therefore the wine can throw some harmless sediments

Production: 330 dozen.

Aroma & Palate: Lime and green apple. The acidity is balanced and wrapped in a soft texture and a lightly salty finish

Stirring up the bottle before drinking will add body and texture.

Fruit Source: Single Vineyard Mount Barker, WA

Bottled: 20.9.22

Alc = 12.5% PH = 3.17TA =6.8. G/F= 1g/l

Vinaceous Crafted By Hand Fiano

Vineyards and viticulture:

- Vine age, Planted 2015
- Machine harvested

Vinification:

- Fruit Crushed/destemmed
- Inoculated yeast
- Fermentation vessel 85% stainless steel, 15% French oak
- 4 months on lees
- Pressed via tank, racked with some solids
- 2 months in older/neutral oak

This Wine will contain some cloudiness, it's the harmless by product of fermentation. The cloudiness is NOT a flaw in the wine. In fact, it is the result of our 'unfiltered' process which will provide an appealing texture and mouthfeel. Enjoy
