VINACEOUS

FINE AND DISTINCTIVE WINES

Since 2007 our unique collaboration has granted us access to some of the best vineyards from The Great Southern and Margaret River regions in Western Australia and enabled us to produce delicious wines.

Our winemaking philosophy is simple and relatively non–intrusive – to produce fine and distinctive wines, that reflect the individual characteristics of the vineyard and variety.

Region | Mount Barker, Western Australia Australia
Alcohol | 13.2 %
pH | 3.25 TA | 5.5 g/l G/F 2.2 g/l
1200 dozen produced

Our Pinot Grigio has been sourced a single vineyard in Mount Barker Western Australia; The earlier season this year meant the fruit ripened in generally warmer conditions, showcasing the Pinot Grigio's fruit characters.

COLOUR

Very bright and clear with just the tiniest hint of green/gold.

AROMA

Has a delicate but complex nose with lovely aromas of 'baked apple' and pear skin.

PALATE

A fresh and very well weighted wine. It is very textural and mouth filling with pithy lime fruit flavours. A crisp dry Pinot Grigio that is best enjoyed as a young wine.
