2026 PINOT NOIR ROSE - *Mt Barker WA*

From our first vintage in 2013, risky business wines are produced from selected low intervention vineyards, then hand-made using small batch winemaking techniques. Our wines bring together the vision and decades of experience of grape grower and Viticulturist Rob Quenby. The viticultural business gives Rob an opportunity to pre-select the best parcels from these great vineyards to use in the risky business range.

Production 500 dozen

2026 PINOT NOIR ROSE - *Mt Barker WA*

2026 Pinot Rose – A dry winter, followed by a dry spring and an earlier than usual warm dry summer led to the earliest vintage harvest to date. Pinot was picked late night through to early morning and pressed off skins immediately to reduce colour pickup. A long cool ferment in tank and bottled as soon as possible after fermentation to capture the delicate fresh cherry, raspberry and strawberry notes in the bottle. A lovely fresh dry and delicate Rose.
